Joel,

Thanks for agreeing to speak that the HCPA Mid-Year meeting (virtual). I'd have you slotted from 2p to 3pm and I figure 20—30 minutes on the risk evaluation process and the types of information that would be helpful for the Agency (use, exposure, PPE training & PPE, consumer/commercial/industrial, etc.) to improve the risk evaluations. I also plan to key it up with some SACC recommendations to Agency (on the completed peer reviews) followed by Q&A for the balance of the time. You will have a variety of people on the line from both our Scientific Affairs Committee and Industrial & Automotive Division.

I'm happy to chat and work out any loose ends or questions next week. I'd also like to set up a short walkthrough on Goto meeting later next week (after Monday) – let me know some possible times that work for you

thanks

Steven Bennett, Ph.D.

Senior Vice President, Scientific & Regulatory Affairs
Floor Care Division Staff Executive
Pest Management Division Staff Executive
